**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet access is critical to every single person alive today. If you believe in markets and supply and demand, then you must insist on competition in those markets. Tell AT&T NO!

We need continued access to copper as a bridge to fiber so that we can be connected to the fastest, most affordable internet available.
